

WINTER EXPERIENCE WEEK

Hotel Kalevala - Magic and Traditions

Pristine snow & crispy winter air

Welcome to Kuhmo, a small town in north east Finland. Surrounded by ancient forests and crystal clear lakes, this is a winter wonderland nestled in some of the deepest snow in Finland. With nothing but unspoilt nature as far as the eye can see, Kuhmo is perfect for wilderness and activity adventures. Hotel Kalevala provides a unique experience from beginning to end for any holiday. As soon as you arrive you are invited into a mythical world and the adventures of the Wild Taiga.

Week filled with activities

This week is for fun, action and activities such as husky safari, cross-country skiing, snowshoeing, snowmobiling and wildlife watching. For your free time you may book optional activities such as rapid swimming, fat bike tour, ice-fishing etc. Do also try some kick-sledding, tobogganing, making snow angels, walking on the snow, visiting Kuhmo village in our special museums.
