WELLBEING

PEAT SAUNA 30 €

This treatment improves your metabolism, helps fluid to go off your body and cleans your skin. After the gentle heat of the sauna, skin is softer and body relaxed. Peat saunas are not recommended for pregnant women or people with heart or vascular disease.

TRADITIONAL FINNISH BONESETTING / MASSAGE

is a method of physical mobilization of the backbone as well as the entire body. The method, based on very old tradition of Finnish folk medicine, has been found quite efficient in treating various forms of physical problems.

Half body treatment (50 min) 60 €

Full body treatment (90 min) 79 €

SPECIALITIES

SNOWSHOE TRACKING TO WOLVERINE HUT 5-6h 139 €

Follow the tracks of wolverine, elk and hare by snowshoes with your professional wilderness guide. You'll reach the private wilderness hut where you'll stay 1,5-2 hours in middle of silence to get a chance to observe the wolverine or other animals of the taiga forest. Incl. transfers, hot drinks and picnic.

WINTER WILDLIFE IN LUXURY CABIN 1 night 650 €

Luxury Bear Cabin is one of the best places in the world to observe wolverine, wolf and Northern Lights. The probability to see a wolverine is high, 50-90 % depending on the month. The night vision binoculars are great for prolonged observation during dark nights. Fitted with a high-power infrared illuminator, you can get a bright, clear image no matter how dark the conditions. Price includes night in luxury cabin, early dinner and transfers.

TAIGA SNOWSHOE AND ICE FISHING 5-6h 145 €

Reach the wilderness lake by snowshoeing, with a chances to see tracks of wild animals on the way like wolverines, elk, hare... At the lake try your luck to catch perch living under the ice. Enjoy a brake and warm up around fire that you will learn to make. Price includes hot drinks and picnic, transfers.

EXCITING RAPID SWIMMING 2-3h 140 €

The exciting swim takes place in the Pajakkakoski rapid in the centre of Kuhmo. The preparations for the swim include dressing in thermal underwear and a rescue suit. The first step is to get used to floating in the river and then the safety procedure and matters related to swimming down the rapid are explained. The participants swim down the rapid one by one. The experience is completed by having a hot chocolate and diploma in a teepee.
